

Want to sing the special in our Sunday morning worship service?

We want you to use your gifts and talents. If you would like to participate in an upcoming worship service, please use the tips below to record and submit your special music.

What you will need.

1. A smart phone or digital camera with a decent resolution.
2. A sound track or musical instrument.
3. Be sure to use a tripod or a stand to hold your recording device.
4. Don't shoot vertical video. Instead use landscape mode.
5. Don't use digital zoom.
6. Be sure there is good lighting. Natural light is always best.

Upload instructions:

iPhone:

Open video under Photos. Click the UP ARROW in bottom left hand corner. If you see an option to use MAIL DROP, select this. Next, type in the following email address: pastorbradlee@gmail.com

Android, iPhone, or any Device:

Use the free service <http://wettransfer.com> to upload video.

Choose Send a File, then Add file by selecting your video. Click Next button and choose Send an email. Email to: pastorbradlee@gmail.com and enter your email address, then click Transfer button. You will need to verify your email by checking and entering the verification code, then click Verify. Once file is transferred, you are finished.
